

# Coronavirus Pandemic

It is with great sadness that, owing to the latest government regulations, and following the ruling of Bishop Richard, at this time we now need to keep our church buildings locked.

Let us remember that we are taking these measures as a practical means of love, to protect all the members of our society, especially the weakest and most vulnerable. It is a way of living out the Lord's command to love one another.

Please be assured that I am continuing to offer Mass for you all daily at 9.15 am.

The Lord continues to be among us in the Blessed Sacrament in the tabernacles of our churches. He is still consecrating our parish by His living presence amongst us. He has not abandoned us, and He never will. He knows your love for Him and your desire to be with Him, and He will reward you.

May God bless you all,  
Fr Stephen
