

The Parish of Effingham and Fetcham Virtual collection plate

Many of you may well be wondering about your weekly Mass donation to our Parish. If you normally make your donation by Standing Order this will, of course, continue in the usual way unless you need to cancel it because of your own circumstances

In addition to on-line Masses and other virtual services the Diocese has come up with a way to continue making a donation to our Parish if you feel able to do so. This could be weekly, monthly or whenever you want. It is using the internet via a JustGiving page that the Diocese has set up. The link is:

<https://www.justgiving.com/campaign/parishoffertory>

When you open the page you can make your donation but please ensure that you mention Effingham and Fetcham Parish in the comments box to ensure we get it back from the Diocese.

JustGiving allows you and your donation to be anonymous if you prefer as it would normally be.

In these uncertain times many of you may feel more comfortable saving your contribution until the situation becomes more predictable. However the page is there if you want it.
